Account Agreements

Here's what you need to do to complete your account application.

Please carefully review all of the content on this page and each of the required documents below (click on the title of each document to access its content). **PLEASE READ ALL DOCUMENTS CAREFULLY.** If this is a joint account application, "you" means each joint-account applicant, jointly and severally. Once you have reviewed and agreed with each document, check the box below next to the section which includes such document. We strongly recommend that you print a copy of each document for your records, as your acknowledgment and acceptance of these agreements and other documents are legally binding on you and create estoppel and affirmative defenses against you, and you agree that they do so no differently than if each one was individually signed by you in ink and delivered to TradeStation in person.

You understand and agree that the respective customer account agreements which will apply to, and govern, your account relationships with TradeStation companies are as follows: (1) for an **Equities** account (including for equity/index options trading), solely the **TradeStation Securities, Inc. Customer Account Agreement for Equities**, together with the **Master Securities Lending Agreement**; (2) for a **Futures** and/or **Futures Options** account, solely the **TradeStation Securities, Inc. Account Agreement for Futures**, and (3) for a **Crypto** account, solely the **TradeStation Crypto, Inc. Customer Account Agreement**. Also, there are supplemental agreements, disclosures and other documents which will apply to one or more your accounts (as set forth below) which you must agree to, accept and acknowledge.

The **TradeStation Technologies, Inc. Subscription Agreement** is a separate license agreement governing your use of TradeStation and third-party software and market data/content, and the **User Agreement (Websites, Electronic Services, Social Media and Education)** applies to your use of those products and services offered by any of the TradeStation companies.

This document represents a joint account backup withholding certification. You are not required to backup withholding because (a) you are exempt from backup withholding, or (b) you have not been notified by the Internal Revenue Service (IRS) that you are subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified you that you are no longer subject to backup withholding; (3) you are a U.S. person (which includes being a U.S. resident alien); and (4) the FATCA code(s) entered in this account application (if any) indicating that you are exempt from FATCA reporting is correct. You understand that if you are not a U.S. person, or have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return, you may not sign below and you must contact us to complete your application so that we can apply any required backup withholding. **Note: The IRS does not require your consent to any provision of this document other than the certification required to avoid backup withholding. If this is a joint account, each joint account owner is separately making the certification.**

You confirm and affirm that all information, representations, warranties, affirmations, acknowledgements and agreements that you have provided or made in this application are voluntarily and knowingly given and made, are true, complete and accurate, and not misleading in any respect, and you will promptly notify us in writing if any of the information or any representation you have provided materially changes or ceases to be true, complete and accurate.
