Langkah 1 :

The screenshot shows the Maybank2u website's 'TRANSFER' page. The interface includes a top navigation bar with 'MY ACCOUNTS', 'PAY & TRANSFER', 'APPLY', and 'CONTACT US'. The 'TRANSFER' section is active, showing 'Transfer From' as 'Savings Account-i' and 'Transfer To' as 'Overseas (FTT, Western Union, Visa Direct, Maybank Overseas Transfer)'. Below this, a dropdown menu shows 'United States' and 'New York'. At the bottom, there is an 'Enter Amount' field with a currency selector set to 'USD' and a 'Compare' button. Numbered arrows indicate the following steps: 1. Click on 'PAY & TRANSFER' in the top navigation bar. 2. Click on the 'TRANSFER' tab. 3. Click on the 'Overseas' dropdown menu. 4. Click on the 'United States' option. 5. Click on the 'New York' option.

Langkah 2

The screenshot shows the 'TRANSFER' page with a table of exchange rates and transfer options. The 'Enter Amount' field is set to '4000' and the currency is 'USD'. The table compares three transfer methods: Foreign Telegraphic Transfer, Western Union (Cash), and Western Union (Credit to Account). Handwritten annotations in orange text provide instructions: 'masukkan jumlah yang hendak di masukkan' (enter the amount to be transferred) points to the '4000' in the amount field, and 'Pilih yang ini' (Choose this one) points to the 'TRANSFER RM 4,010.00' button under the Foreign Telegraphic Transfer column.
